

Past Presidents Position Description

1. Overview and Mandate

Past Presidents of the Ontario Medical Association may be called on by the Board Chair or CEO to provide counsel or support initiatives of the OMA. Each Past President brings in depth experience and knowledge gained in their role of President and Immediate Past President and may have particular talents that would assist the organization from time to time.

The Past President is not responsible for the operational management of any aspect of the OMA's business and is therefore not an executive of the OMA.

2. Term of Office

The Past President will not formally serve any further terms on the OMA Board and will be called on an "as needed" basis to support the OMA.
