Family physicians – Magenta Health, Midtown Toronto:

Founded by family physicians like yourself, Magenta Health is a growing network of family medicine clinics focused on the future of family medicine. We offer an opportunity to build your practice in an environment that emphasizes physician happiness, well-being, and work-life balance. To us, that means supporting you with great people, technology, and spaces designed to let you focus on being an effective clinician first and foremost. Opportunities to practise with us at our newly opened midtown clinic are now available (Avenue Road & Eglinton). Established physicians can join our FHG. New graduates have the additional option of joining our FHO – we understand the current political climate and we offer a remuneration package competitive with traditional IS. We'd love to have an opportunity to chat – contact us by email.

Email: careers@magentahealth.ca

Family practice in Belleville, ON:

Available due to physician retirement. Member of large FHO. Modern office with EMR (Telus/PS), computers in every room, HRM, online appointment booking, etc. Situated on the Bay of Quinte and next door to picturesque Prince Edward County. A wonderful community in which to practise medicine and bring up a family!

Specialist physicians – Midtown Toronto:

Velocity Specialty Medicine (VSM) is a progressive vision of how specialist physicians and surgeons should be able to practise. VSM offers the opportunity for physicians and surgeons to practise independently and build a practice of their own, while we manage the business and operations. We take care of everything needed to practise, including facilities management, staffing and HR, advanced IT systems, billing services and optimization, patient relations (and much more) while offering a solution that allows our specialists to build their own independent brand. We currently have opportunities for specialist physicians to practise at our newly opened midtown location at Eglinton Ave. West and Avenue Road in Toronto. To get in touch, please email us.
