We’re hiring — Chief, Department of Anesthesia, Markham Stouffville Hospital: MSH is a large community hospital with two sites: Markham and Uxbridge that has a reputation for excellence in progressive community care. With a focus on patient experience, safe, high-quality care and innovation. Our dedicated team of physicians, staff and volunteers provides care to over 300,000 patients a year. Working under the general direction of the Chief of Staff, the Chief, Department of Anesthesia, provides medical, administrative and strategic leadership to enhance the Department of Anesthesia and to help achieve hospital strategic goals. The Chief will be responsible for the professional practice and quality of care provided by 11 departmental staff members. The Chief will also work with Senior Leadership, Patient Care Directors, Department Chiefs and members of the professional staff to plan and ensure optimum utilization of available resources. The successful candidate must be eligible for hospital privileges and must be able to provide clinical services consistent with other members of their specialty; will hold a independent license with the College of Physicians and Surgeons of Canada; have significant clinical practice and administrative experience, in addition to a progressive leadership background with the ability to provide leadership in a community hospital setting. Evidence of strategic thinking, ability to meet targets, ongoing continuing education, excellent analytical skills and the ability to promote a positive environment are all crucial to this position. We invite interested and qualified candidates to submit a current CV by December 1, 2017.

Family doctors — Magenta Health, Midtown Toronto: Founded by family physicians like yourself, Magenta Health is a growing network of family medicine clinics focused on the future of family medicine. We offer an opportunity to build your practice in an environment that emphasizes physician happiness, well-being, and work-life balance. To us, that means supporting you with great people, technology, and spaces designed to let you focus on being an effective clinician first and foremost. Opportunities to practise with us at our newly opened midtown clinic are now available (Avenue Road & Eglinton). Established physicians can join our FHG. New graduates have the additional option of joining our FHO — we understand the current political climate and we offer a remuneration package competitive with traditional IS. We’d love to have an opportunity to chat — contact us by email. Email: careers@magentahealth.ca

Own your practice & building: Practice MD is a consultancy group that provides physicians with relocation, mortgage and tenant negotiation, design and build-out, practice management, and strategic partnerships to create turnkey medical centres. Deals are fully financed with zero money down. Be your own tenant and build a practice with real estate equity. Individual and physician groups welcome. Tel. 905.595.3482 Email: HR@practicemd.ca
Specialist physicians — Midtown Toronto: Velocity Specialty Medicine (VSM) is a progressive vision of how specialist physicians and surgeons should be able to practise. VSM offers the opportunity for physicians and surgeons to practise independently and build a practice of their own, while we manage the business and operations. We take care of everything needed to practise, including facilities management, staffing and HR, advanced IT systems, billing services and optimization, patient relations (and much more) while offering a solution that allows our specialists to build their own independent brand. We currently have opportunities for specialist physicians to practise at our newly opened midtown location at Eglinton Ave. West and Avenue Road in Toronto. To get in touch, please email us. Email: info@velocitymedicine.ca
